

RUNNING TO HIM

Annie

Annie: MED Part Sunny: HI Part Greg: LO Part

Verse 1

Are you caught inside a hole that's deep and dark?
Do you want to leave but don't know where to start?
When you feel alone, you're not alone
Take a breath, take a minute and remember

Chorus 1

What did he die for? Hang on the cross for?
He paid the price for you. He paid the price for you.
You know he can heal you. Yes he can free you.
So don't stop running to him, don't stop running to him.

Verse 2

Have you ever thought that you were abandoned?
Are you alone? (BGVs: No!)
Have you ever felt like you didn't matter?
Are you unworthy? (BGVs: No!)
Put your burden at his feet, lay it down at his feet
Take a breath, take a minute and remember

Chorus 2

What did he die for? Hang on the cross for?
He paid the price for you. He paid the price for you.
You know he can heal you. Yes he can free you.
So don't stop running to him, don't stop running to him.

Verse 3

Will he answer somebody who keeps repeating, repeating the same mistake over and over, over and over again?
You need not worry the price was paid, the sacrifice cannot be unmade. hallelujah, hallelujah, hallelujah

Chorus 3

What did he die for? Hang on the cross for?
He paid the price for you. He paid the price for you.
You know he can heal you. Yes he can free you.
So don't stop running to him, don't stop running to him.
